A promotional image for "Street Percussion NYC" by Big Fish Audio. On the left is a 3D rendering of the product box, which features a photograph of a city street at night. The box is labeled "bigfishaudio" at the top, "STREET PERCUSSION NYC" in large white letters, and "bigfishaudio" vertically on the side. To the right of the box, the text "STREET NYC" is displayed in large, bold, white letters, with "PERCUSSION" in a smaller font below it. Underneath, it says "A MASSIVE COLLECTION OF UNCONVENTIONAL STREET DRUM AND BREAKBEAT STYLE PERCUSSION". Below this text are three screenshots of the software's interface, showing various controls like knobs, sliders, and a waveform display. At the bottom left, it says "Over 2,100 loops and over 190 one-shot samples". At the bottom right, there is a link that says "more information".
